

Florida-Friendly Monday: The Health Benefits of Plants

Florida-Friendly
Landscaping™ PROGRAM 

Free class, but advance registration required. The holidays can be a stressful time for all of us. Why don't you take moment for yourself and learn how you can find peace through indoor plants and therapy gardens? The Florida-Friendly Landscaping™ Public Education Program Coordinator, Melissa West, will teach you about the benefits of houseplants, indoor gardens, and therapy gardens. She will also offer some gift-giving ideas to keep your holidays merry and Florida-Friendly.
