

DUNEDIN PUBLIC LIBRARY

Gopher Tortoises Presentation with Lara Milligan

Join UF/IFAS Extension Natural Resources Agent, Lara Milligan, as she highlights a keystone species right in our own backyard, the gopher tortoise.

There is so much to learn about this critically important species. We will explore some basic biology, learn about the management of the gopher tortoise, and end with ways you can help.

Sign-up is required to attend.

Thu. June 8 | 2 PM
Community Meeting Room
