

Sew Useful - Beginning Sewing Workshop Thursday 10/19 at 1pm

Need a small gift bag, or container for your small everyday items? Join us and sew a small lined drawstring bag from start to finish. We'll prepare the fabric, mark and cut out the pieces, assemble them into the bag, and finish the project with a string.

Registration is required as space is limited.

Material required to bring to this program includes : 1 fat quarter (1/4 yard of fabric), or 2 if you want the inside and outside of the finished bag to contrast. The library will supply the string.
